OUR STORY

Founded in 1985, Logistique 2000 is a company that organises and monitors the transport of goods. It operates as a **freight forwarder**.

With more than 35 years of **experience** in the logistics field, Logistique 2000 has acquired solid expertise and recognized know-how. The company relies on its experience to offer **efficient solutions** that meet its customers' needs.

“

LOGISTIQUE 2000 IS A FAMILY BUSINESS THAT STRIVES TO PROVIDE ITS CUSTOMERS WITH A FIRST-CLASS TRANSPORT EXPERIENCE.

”

Stéphane Sanchez
President and CEO

WHO ARE WE

At Logistique 2000, we stand out for our **human approach**. Close to our customers, we make ourselves available throughout the transport process.

Our team of logistics experts works with passion and commitment to provide our customers with a service that is **tailored** to their requirements and meets their expectations.

We support our customers every step of the way and ensure that goods are delivered on time and **safely**.

OUR VALUES

—————○ **NEARNESS**

—————○ **EFFICIENCY**

—————○ **SERENITY**

OUR ACTIVITY

Our teams manage all aspects of freight forwarding, from pick-up to final delivery. We transport **all types of goods**, including those requiring specific expertise (fragile, dangerous, foodstuffs, high value-added goods, etc.).

Thanks to our wide and **reliable** network of partners, we are able to offer our customers transport solutions that are suited to their specifications, for shipments in France and abroad.

“
**LOGISTIQUE 2000, IT IS 38 YEARS OF
EXPERIENCE AND KNOWLEDGE OF THE
INFRASTRUCTURES AND THE TRANSPORT
OFFER, COUNTRY BY COUNTRY.**

”

Andreas Sanchez
Technical Director
